WELCOME TO HOCKEY FUNDAMENTALS SPRING 2025

Dear Parents and Skaters,

The Thunder Bay Skating Academy is excited to welcome all of our new and returning members to our **HOCKEY FUNDAMENTALS** Program. We are proud to offer you this program taught by CanPowerSkate coaches trained under Skate Canada's CanPowerSkate Program. We are excited to spend the next **6 Saturday sessions** (April 19th & 26th at FW Gardens; May 10th, 17th, 31st & June 7 at Current River Arena - there is **no skating** May 3rd & 24th) with you for what we expect to be a very exciting and eventful season.

What can you expect from a typical session?

- 1) On your first day of skating please enter the rink and **follow the posted signs** to make your way to the changerooms to get your skater ready to go with skates & helmets on. Once ready to go with your skates & helmets on make your way to our hanging name tag boards which will contain your skater's **name tag**.
- 2) On-ice delivery: once skaters enter the ice surface, we will begin with a 6 minute warm up, we will then work through the specific circuits & skills for that week.
- 3) The sessions will focus on continuous movement emphasizing the use of newer and more dynamic group teaching concepts. If you were in our CanSkate program last season, this is a continuation of what your skaters did last year, focusing more on developing strong edges, increased power and agility to further develop the skaters interested in pursuing hockey.

What do I need to bring?

When preparing for the first session, it is a good idea to wear some warm pants and a jacket on the ice along with hockey gloves OR if desired skaters may wear their full hockey equipment. **Use of sticks is strongly encouraged, but not mandatory.**

Please be aware that we do require that all skaters have on a **CSA approved hockey helmet**. Helmet Policy: As per our governing body "Skate Canada" all skaters must wear a CSA approved hockey helmet at all times while on the ice surface.

Schedule

We have attached a complete ice schedule for your skater's session. These will also be posted on our website if you misplace this initial copy. This schedule will include any dates where the ice was not available, time changes and all other necessary information.
